

CALIFORNIA SLATE COMPANY

THE ENDURING BEAUTY OF
NATURAL SLATE ROOFING.

Brazilian Multi-Color is one of the most vibrant and distinctive slates available, offering a lively mix of orange, red, green, and gray tones on a light gray base. The fossil-like texture and rich variation create a dynamic, colorful effect that enhances roofs with a unique, natural character. Quarried in Brazil, this slate is exceptionally hard and durable, making it a long-lasting solution for projects that demand both beauty and performance.
